Serving SLED Employees
and their families statewide.

Origin

The South Carolina Law Enforcement Assistance Program (SCLEAP) was born out of the actual needs of state police officers serving in the field as well as non-sworn administrative staff members and their families. Modeled on a concept currently used by the FBI, SCLEAP is an employee assistance program which provides traditional employee assistance program services as well as maintaining a cadre of volunteer chaplains across the state. The staff and volunteers are on-call 24 hours per day/7 days per week in order to better serve the needs of all SLED employees.

A Unique Partnership

The SCLEAP is a unique partnership between SLED, SCDNR, SCDPPPS and SCDPS. It serves more than 2,500 state police officers as well as non-sworn employees and all family members. Each agency has an equal claim on the energy and resources of the professional staff.

Questions & Answers About SCLEAP

Q. Is what I share with the staff and/or volunteer chaplain held in confidence?

A. Yes! The SCLEAP staff and volunteers must never become a pipeline of information to supervisors. Only in cases where persons are a threat to themselves, to others or if the law has been violated, does the staff and/or volunteer have a duty to report the information.

Q. Where does SCLEAP fit into the SLED structure?

A. Maj. Larry Gainey oversees SCLEAP activities within SLED. Also, he serves as our official liaison to the partnership group.

Q. May I access the SCLEAP staff and volunteers directly?

A. Absolutely! Simply use the pager numbers listed in this brochure or call the SCLEAP office at 803-252-2664.
